

Silicone Coatings Announcement

Dear Valued Partner,

The silicone roof coating market continues to grow rapidly. Unfortunately, raw material costs have also increased. Gaco has worked hard to mitigate the impact; however, at this time it is necessary to pass on a portion of this increase to our customers. To continue delivering high quality products and services to the marketplace, Gaco will implement a sharp, 20% price increase on all silicone coating products effective July 16, 2018.

All orders shipped by July 15, 2018 will be honored at your current cost.

Please contact your local Gaco Sales Representative with any further questions. We thank you for your continued support and partnership.

Sincerely,

A handwritten signature in black ink, appearing to read 'ASalvatore', is placed above the typed name.
