Silicone Price Increase

Dear Valued Partner,

In response to various unavoidable cost increases in the production of silicone products, Gaco will be implementing a 6% price increase on all Silicone coatings effective **May 1, 2018**.

Existing job/project quotes submitted by March 30, 2018 and new orders submitted and shipped by April 30, 2018 will be honored at your current pricing. New orders shipping on or after May 1, 2018 will reflect the increase.

Please contact your local Gaco Sales Representative with any further questions.

We thank you for your continued support and partnership.
